

About Union Savings

Union Savings is Canada's only not-for-profit, union run, discount and savings program. We offer a wide variety of discounts to union members and their families, retired members and to the union. There are no dues or up-front charge to your local or union members to participate in the program.

By affiliating with Union Savings, your members will gain access to high quality programs designed to save them and their families money. We will then work with whomever you designate to get you everything you need to promote our programs to your members. We will provide all promotional materials free of charge and take our lead from you.
